## Understanding Poverty and Inequality

Limited travel and substitute teacher bursaries available (up to \$325 per person).

LIGHT BREAKFAST | LUNCH | LESSON PLANS | PRIZES

How do we measure economic inequality in Canada? Why does it matter? What causes it? These important questions are addressed in the Fraser Institute's new teacher workshop, *Understanding Poverty and Inequality*.

At this workshop we will examine the differences between poverty, inequality, income and wealth. You will leave with an understanding of income mobility and what we mean by rich and poor in Canada and around the world.

### Topics covered include:

economic freedom | poverty | income inequality |  
gini coefficient | income mobility | GDP per capita |  
productivity | inflation | institutions
